LOCAL LAW ENFORCEMENT ACT OF 2003

Mr. SMITH. Mr. President, I rise today to speak about the need for hate crimes legislation. On May 1, 2003, Senator KENNEDY and I introduced the Local Law Enforcement Enhancement Act, a bill that would add new categories to current hate crimes law, sending a signal that violence of any kind is unacceptable in our society.

I would like to describe such a crime committed on July 30, 2001. In Santa Ana, CA, a 22-year-old man stabbed his 17-year-old Asian neighbor, Kenneth Chiu, as the victim was returning from a date. Before dying, Mr. Chiu identified his attacker who later confessed that he targeted Mr. Chiu because of his identity. He told investigators that he hated Asians and other ethnic minorities.

I believe that Government's first duty is to defend its citizens, to defend them against the harms that come out of hate. The Local Law Enforcement Enhancement Act is a symbol that can become substance. I believe that by passing this legislation and changing current law, we can change hearts and minds as well.

Mr. LUGAR. Mr. President, I hereby provide notice that I intend to move to suspend rule XVI of the Standing Rules of the Senate during the Senate's consideration of H.R. 2800 in order to offer the amendment No. 1974 to that bill.

(The amendment is printed in today's RECORD under "Morning Business.")

ADDITIONAL STATEMENTS

TRIBUTE TO PACHY BURNS

• Mr. BURNS. Mr. President, today I bring to your attention a truly remarkable program. In America, at this point in our history, most people are so far removed from their agrarian roots, they have lost all understanding of true ties to the land. This is one of the many problems that agricultural producers face in their battle for survival.

There is a sheep producer in Montana who is working to correct this problem. Pachy Burns is a true Western woman. There is nothing that she is not willing to face and, if need be, challenge. Pachy has created a program called Jam to Lamb. It is an all-women's lambing party that involves women from all over the United States. Women from every walk of life experience the true meaning of ranching by learning through doing.

Women who visit Pachy learn about delivering lambs, branding lambs, nurs-

ing bums, and all of the other necessities of daily ranch life. They learn the truth about issues impacting agriculture such as Federal lands and predators.

I ask that you all join me in recognition of Pachy Burns, a woman who is trying to open not only the eyes but also the hearts of people, who should have a better understanding of where their food comes from. Pachy is accomplishing this through leadership and friendship the true mark of a Westerner.●
